Subject: extension

Hi Peter Z,

I just got your voicemail... I'm rushing around today.

The extension until December 9 should not be a problem. Do you think you could kindly articulate it to me in an email as well? Include the reasons you're asking for the extension, and also state that per this email from me that you understand that Sims has been granted the extension.

Try calling me if you have any more questions.

Sincerely,

Juliet Hannafin
